SUMMARY

Motivated and detail-oriented B.Tech Artificial Intelligence and Data Science student currently pursuing 3rd year at SBCEC, Arni. Skilled in Python, MySQL, HTML, CSS, and JavaScript with hands-on experience building responsive websites and academic projects. Passionate about software development, problem-solving, and emerging technologies. Seeking internship and entry-level opportunities to apply technical skills and gain industry experience.

EDUCATION

SBCEC (Sri Balaji Chockalingam Engineering College)

Arni, Tamil Nadu

Bachelor of Technology (B.Tech) – Artificial Intelligence and Data Science, Relevant Coursework:, Python Programming, Database Management Systems, Artificial Intelligence, Data Science Fundamentals, Web Development

Expected Graduation: 2027

PROJECTS

Personal Portfolio Website

- Designed and developed a responsive personal portfolio website using HTML, CSS, and JavaScript.
- Implemented mobile-friendly layouts and modern UI design principles.
- Showcased skills, education, and project work in a professional format.

Student Management System

- Developed a basic student management application using Python and MySQL.
- Managed student records through database operations including insert, update, delete, and search functionalities.
- Improved understanding of database connectivity and CRUD operations.

Small Business Website

- Created responsive websites for learning and practice purposes.
- Focused on user-friendly design, navigation, and performance optimization.

TECHNICAL SKILLS

Python

JavaScript

HTML5

CSS3

MySQL

GitHub

VS Code

Problem Solving

Responsive Web Design

Database Management

Team Collaboration

ACHIEVEMENTS

- Built multiple responsive web projects during academic learning. - Continuously improving programming and database skills through self-learning and practical projects. - Active GitHub user showcasing development work and learning progress.

SOFT SKILLS

- Communication - Time Management - Quick Learning - Teamwork - Adaptability - Analytical Thinking

CAREER OBJECTIVE

To secure an internship or entry-level software development opportunity where I can apply my knowledge of Python, MySQL, and web development while gaining real-world experience and contributing to innovative projects.
